Vladimir Kondenko | Android Developer
kondenko2011@gmail.com

Experience

Freelance Android Developer FG Inc.   Nov 2017 - Apr 2018

I've developed an application for kindergarden teachers and kids.
This app lets user to film short videos and create collages using these videos.

Android Developer Student Yandex   Aug 2017 - Sep 2017

Me and my team (a manager, a designer and 4 Android developers) developed an app (details are under an NDA) as an Yandex Mobile Development School assignment.
